Cash balance with Santander bank £10834 at the year end. Two charitable donations made totalling £1027 to two worthy causes. Oli Freeman thanked the club for the £200 donation to his charitable cause and commented that they had raised £7K in total. A thank you again and recognition to David Slater who through his extensive efforts has managed to migrate the club website from Wild Apricot, giving a yearly ongoing saving of £700 4.2 Chairman's Report – Dave Moore Thank you to all of you for joining today's AGM. Start report with confirmation that current president Ron Perks will be standing down as president. Thank you to Ron for your support over the years. Mr Chairman then stated that the committee had proposed Rita Taylor as the new President, which she accepted. Welcome Mrs President. The club is doing OK, membership numbers are stable. Good Sunday club runs, with some new ride leaders, new routes and some good cafe stops. Its been a good competition in our Wednesday evening road bike category this year. Tomos and Hayley smashing the club 10's and club racers, all, well done. Thank you to Dave Fletcher, for timekeeping and press reporting, Rita and Alan, without you all we could not run our Wednesday evening TT's. Finally recognition to the triathletes in the club who have had some good results this year.

	Some thanks :- Thanks to Deb for taking on the Kit Thanks to Dave Slater for sorting out the new website Thanks to DENSO and Elliot Wills for sponsoring our evening 10 series Thanks to Phil Roberts for all he does organising the zwift racers Thanks to the committee members for their time. Finally some information on upcoming events. Our Reliability ride will take place on 22nd February. This year again we will use Wellington cricket club as the HQ. However with the opening of the new cafe in Wellington baths this could be a venue going forward as it takes a lot of effort and volunteers to man the HQ. Our Hilly TT will change course next year due to road works to build an island at the bottom of the Ironbridge bypass. The new course will still start at Atcham and be x2 laps of the Eyton Constantine race circuit. Finally for our 25 TT this year we are looking at changing to 2 ½ laps of our 10 course. This is due to heavy marshalling requirements on our current course, this year saw more marshals than riders on the course.

You will both be missed and hope to see you back as first claim members in future.

7.5 Consider 4 ups/ 3 ups as a rock up and ride on Wednesday eveing – Phil Roberts

Phil asked if we could consider 4ups/3ups on a Wednesday evening as a turn up and ride, similar to the 2 up series this year. Phil felt this could attract riders as no one else is doing this.

It was agreed that we would discuss as a committee, principle thing to consider is effective timing.

7.6 Club kit store currently open – Deb Hutson Lumb

Deb confirmed that the kit ordering window is now open. You can now order directly off champion system using the link in our store. Deb also bought samples of the kit to AGM for people to view / try on.

7.7 Club rides, where are all the female club members – Vince Evans

Vince queried the absence of female club members on Sunday rides.

No easy answer but will discuss as a committee where we want to go as a club and what else can we do ie do we want to attract Junior riders, Ladies ride leader, potential track nights,

I confirm these minutes to be a true representation of Wrekinsport 2025 AGM on behalf of the Wrekinsport Committee.

Treasurer's Report and Receipts and Expenditure Account 12 months to 30 September 2025

Wrekinsport has had another successful year. Our memberships continue to hold up well, our events programme has been full and the club continues to be financially secure.

Receipts for the year were £6,106 and expenditure £6,699, resulting in a deficit of £593. Our cash balances with Santander Bank and PayPal totalled £10,834 at the year end

We made charitable donations £1,027 to two very worthy causes. In May, Oli Freeman, who teaches PE at a local school, led a Three Peaks Challenge (ascending Ben Nevis, Scafell Pike and Mount Snowdon in 24 hours) for the British Lung Foundation in memory of a former pupil at the school: £200; Glyn Jervis led a ride on behalf of Severn Hospice and which was well supported by local Shropshire clubs: £580; and we gave Severn Hospice the surplus made on traditional charity event, the SCCA Championship 10 that Wrekinsport hosts in August: £247.

In our events programme, we had mostly good fortune. The annual Presentation Evening held at Telford College's Orange Tree restaurant again proved a hit with members and guests, and tickets are now on sale and going fast for this year's dinner on 28 November. £20 a head - bargain. Our Wednesday evening time trial season saw an increase in rider numbers from 400 last year to 425 this year. We sold 15 season tickets at £55 each and the local village hall at Eyton benefited by the £404 we gave for use by our riders as TT HQ. However, our Reliability Ride in February was beset by very wet weather, with only 31 brave but ultimately soggy souls turning up compared with the 109 dry riders who enjoyed cloudless winter skies the previous year.

Appendix 1 summarises details of events.

As for running costs, David Slater built a bespoke in-house system on the club's website for use by members, and successfully migrated us away from Canadian IT platform Wild Apricot, saving the club £700 a year henceforth. David also identified anti-hacking software package Limit Login Attempts which guards our website against harmful attacks. Big thanks to David for giving us his valuable time and expertise.

Members use PayPal to purchase kit and pay for events. It is quick and easy to use. Of our total receipts, more than two-thirds, £4,154, came through PayPal, and this convenience cost us £212 in fees, 5.1%.

Appendix 2 gives further details of expenditure.
